

## Significant changes to the CSW Broadband Maps and Data

CSW Broadband have recently carried out a complete review of all of the data that underpins their website and mapping. Before going out to tender for Contract 3, they were required to carry out an Open Market Review, which meant that they requested all of the commercial broadband providers service plans up to the end of 2019. This is because, as a publicly funded project, CSW Broadband obviously cannot spend money where there is already planned superfast broadband provision.

The 2018 review has just been completed, and this has resulted in some very significant changes in proposed coverage across the area. For instance, ITS had originally planned to cover a very large area of south Warwickshire with wireless broadband. However, the business has undergone a restructure and has new management in place. The focus of the business is now on fibre rollouts, and ITS now considers wireless as an infill measure rather than the only available solution. This means that the business case that they used to develop their original response to the Open Market Review has changed considerably and, as a result, the latest return from this company has released much of the area that they had originally planned to cover.

Other businesses have either increased or decreased coverage areas. For the first time, CSW Broadband are able to identify some of the providers, where they have given permission for this to happen, which means that if your property is due to be covered then you may now be able to contact the provider directly for updates.

Both the **property checker**, which gives text details about the status of a property, and the **latest map** are available at [www.cswbroadband.org.uk](http://www.cswbroadband.org.uk)

Dear Patients

### Flu season is fast approaching!!

If you are eligible for a flu vaccine they have been ordered in for you.

The manufacturer is currently unable to confirm delivery dates of the vaccine, however, we have been advised we will know sometime this month ... September onwards.

We do know that we will be holding our regular clinics at both Wellesbourne & Kineton Surgeries and will be visiting patients who have difficulty getting to the surgery throughout the months of September, October & November. We will be holding both drop in clinics and bookable appointments. Our aim is also to set up community sessions in both Wellesbourne & Kineton.

If you are eligible for a vaccine and would like one please look out for the up to date information of the arrival of the vaccine and drop in sessions. These will be advertised on our Website, Facebook Page, right hand side of your repeat prescription and posters & magazines around the villages.

If you would like to decline your vaccine it is most important you tell us so we can update your records.

Best wishes

# THE NEWBOLD PACEY & ASHORNE VILLAGE HUT NEWS

ISSUE 136: SEPTEMBER 2018

## Newbold Pacey and Ashorne Village Show

**Thanks once again to show organiser, Trish Handsley, the Newbold Pacey and Ashorne Village show 2018 proved a resounding success and raised a record £545.30 for the Village Hall.**

As usual the tea and home-baked cakes were a huge draw. Mary and Gordon's giant tombola stall raised almost £130 while an exquisite selection of wood turned pieces items made by Heather Jack's late father brought in £160. The show attracted high quality entries across all classes from baking to floral arrangements and vegetables whilst the village children exhibited decorated wellies and there was a large canine entry in 3 classes.

Enjoying another record Breaking Village Show

## WI Report August - October

**In August, Newbold Pacey & Ashorne members enjoyed afternoon tea under the apple tree in President Trish Handsley's garden. The weather was glorious and everyone congratulated the Committee for the delicious spread they provided.**

In September we welcomed Gill Hawtin from Flower Thyme. As she entertained us with anecdotes from her busy life as a florist, Gill created two arrangements for us; one an informal trug basket arrangement using soft pinks and purples against a background of grey green foliage and the second a more structured formal upright arrangement using reds and oranges. Both arrangements were absolutely stunning and we were very pleased that Gill offered them to us as raffle prizes. Alex, one of our visitors and long-standing member Molly were the lucky winners.

On Thursday 11 October we will be learning about Scrapbooking techniques from Jan Furlong and in November we have our AGM where we will elect President and Committee for our centenary year.

If you fancy picking up floristry tips, learning about scrapbooking or WI generally, do come along and give us a try - 2nd Thursday of the month, 7:30pm in Ashorne Village Hall. We have a wide range of speakers and are keen to welcome guests and new members at any of our meetings.

## THE PARISH COUNCIL

### Notes from Newbold Pacey and Ashorne Parish Council meeting on 5th September

Cllr Anne Parry, our District and County Councillor has kindly agreed to be co-opted on to the Parish Council until the end of March. I am concerned that the Parish Council is at risk of being inquorate. We had only four councillors and need to have three to take decisions, so now we are five!

Progress is taking place on current projects. We are still chasing the County Council on a number of Highways issues, including the Cricket Ground Bridge, road drains in the centre of the village, and the road surface in Newbold Pacey.

We agreed the actions required to replace the two dead Jubilee trees. Arising from concerns raised at the meeting, we will shortly be placing on the Parish Council website links to the British Heart Foundation's Guide to using a Defibrillator, and a link to the District Council's guidance on tackling fly-tipping. In this newsletter, I have included an extract on 'What should you do if you see someone fly tipping?'

We remain with a vacancy for membership of the Parish Council.

Just a reminder. on 11th November, the centenary of the end of the First World War, after the Remembrance Day service at Newbold Pacey Church in the morning, residents of this Parish are invited to join a commemorative event at Moreton Morrell school in the early evening.

The next meeting of the Council will be at 7.30 on 7th November in the Village Hall.

### 60 years of social history

The five remaining members of a 10-strong Ashorne family joined old friends and neighbours in the Village Hall on August 9 to reminisce over scrapbooks recording 60 years of village life put together by their late sister Hilary Ledbrook.

Hilary died in January 2018 aged 89, having lived most of that time in Ashorne where she was a member of Newbold Pacey and Ashorne WI for 75 years. Hilary entered a Warwickshire Federation scrapbook competition in 1955 and having 'got the bug' continued to keep scrapbooks for the next 60 years. She recorded Ashorne village life in all its forms – births, marriages, deaths, neighbours' achievements, court appearances, clothing fashions and house sales.

The scrapbooks will no doubt be out again during 2019 when Newbold Pacey & Ashorne WI celebrates its centenary and remembers its longest serving member Hilary Ledbrook B.E.M.
